

# PERFORMANCE HD

HIGH DENSITY CAN LINERS

**now available  
in boxes!**

The same great features you've come to expect from the Inteplast/Pitt Performance HD line are now available in a traditional cardboard carton.

Performance HD is one of the newest products in the Inteplast/Pitt family. These liners are based on High Density resins, the most cost efficient film available in the market today. They perform on a level equivalent to traditional gauges and microns. Performance HD liners are available on convenient coreless rolls which simplifies inventory control and provides easy portability.

- *Performs at traditional gauges/microns and sizes*
- *Consolidated number of SKUs; eliminates duplication*
- *Confines odors*
- *Reduces the possibility of damage due to crushing*
- *Not suitable for sharp or jagged objects*
