

COMPOSTABLE T-SHIRT BAG

Item No.	Size	Gauge	Case Pack
COMPTSHIRT	11.5 x 6.5 x 22	.90 mil	500

Features & Benefits:

- 100% compostable in an accepted composting facility
- Made with Corn Starch & Plant based materials
- ASTM D6400 compliance for compostability
- Certified by BPI
- Manages moisture in food better than paper bags
- Green tint printed with the BPI compostable logo
- Manufactured in the USA

Applications:

- Grocery stores
- Convenience stores
- Gift shops
- Shopping centers
- Restaurants
- Farmers Markets

- The use of compostable bags helps reduce landfill waste, reduces pollution and conserves water and other resources used in the management of waste sites.
- The 2017 State of Organics Recycling in the US Snapshot Survey found a total of 4,713 composting facilities across the USA
