

No more twist ties!

Draw-Tuff®

Institutional Draw Tape Can Liners

Now there's no need to knot the bag or use clumsy twist ties with the easy open/close Draw-Tuff® can liner.

Draw-Tuff® can liners feature a convenient drawstring closure and flat bottom construction which allows you to use the full capacity of the bag. The drawstring helps keep hands clean and creates a handy carry handle.

These liners are designed to fit the container without waste, adding more capacity, and are constructed with no bottom seal to help prevent leakage.

Uniquely packaged on an interleaved coreless roll for added convenience.

- **Convenient drawstring closure**
- **Fits containers without waste**
- **Furnished on interleaved coreless rolls**
- **Liners are side welded to prevent leakage, with no bottom seal**
- **Available in black, white and natural**

Gallon Capacity	Item Number	Size	Color	Gauge (Mil)	Gusset	Case Pack	Rolls/Case Bags/Roll	Poly Weight
12	DT12GALW	24 x 28	White	0.69	None	300	12/25	10.4
