

THE PIT-FIT

CAN LINER SYSTEM

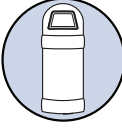

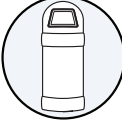

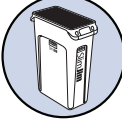

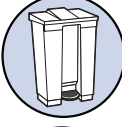

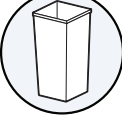

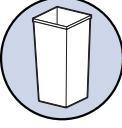

Do you find yourself struggling to get a good fit from your can liner? The length's not right or maybe the bag is too big or too small. It's not easy to guess which bag fits which container just right, not to mention perfectly. Now you don't have to worry about a bad fit. With the Pitt-Fit Can Liner System, finding the right bag for your receptacle couldn't be easier. We've put together a list of can liners for the most common trash receptacles. You find your receptacle in our product table and listed to the right you will find all of our can liners that fit just right.
