# General Purpose Disposable Gloves

Inteplast/Pitt has gloves for a variety of applications. They can be used for foodservice, janitorial, healthcare, hospitality and schools. From vinyl to nitrile to latex, our gloves are sure to meet our customers' needs. Our vinyl gloves are an excellent choice for those who are looking for a latex free alternative. Our nitrile gloves are super strong and do an exceptional job creating a barrier of protection. Finally, our latex gloves offer superior comfort and fit while also providing another durable option that offers good barrier protection. Our vinyl and latex gloves also come in both powdered and powder-free options.

## Vinyl Gloves

### Applications

- Food service
- General purpose

### Benefits

Latex-free to minimize the risk of allergic reaction

### Color: Natural Description

- Premium quality polyvinyl chloride (PVC)
