

Introducing the New

STRONG ONE™

MULTI-PURPOSE CAN LINER

The new Strong One features all the quality and toughness you've come to expect from an Inteplast/Pitt product.

We've designed the packaging to utilize a retail-friendly poly sleeve for increased selling opportunities. The Strong One is furnished on efficient coreless rolls, with 40 bags on a roll. This 33 gallon, 1.1 mil bag is useful for a variety of purposes in both residential and business applications. The Strong One is an economical, environmentally sound, 100% recyclable can liner.
