

Water Soluble Bags

Our water soluble bag fully dissolves into harmless ingredients. It's ideal for healthcare situations, both hospitals and nursing homes, where contact needs minimized between staff and infected laundry. With our water soluble bag, you can be assured that contaminated clothing or linen, whether from blood borne pathogens or even pests such as bed bugs, are contained. There are many uses for the water soluble bag, some of which include:

**Wash at 60°C
(140°F) for
10 minutes
minimum**

- **Hospitals/Clinics/Nursing Homes**

Containment for clothing or linens

- **Hotels/Motels**

Containment for linens – bedding and/or curtains

- **Correctional Facilities/Prisons**

Containment for clothing or linens

- **Industrial Settings**

Mixing dyes – textile

Mixing pigments – concrete or cement
